In my first month, I got over \$600 in FREE cash and merchandise. WOW - the best \$9.95 I've ever spent. - Gail Levine

The first day I found a free coupon to go bowling for 6 people with a pitcher of soda and free bowling shoes. I printed 2 of them for 12 of us. We went on a Sat. night and got 2 lanes together. Without the coupon it would have cost \$75 per group. I saved \$150 the first day.

- Gus R

I got a nice plant from Lowes, free rentals at Hollywood Video, a 2 for 1 at our favorite Mexican restaurant, soap powder, gourmet dog food, \$8 off at TGI Fridays, and \$15 worth of coupons on Pepsi and Frito Lay products.

- Mike

Before Freebie Force, my grocery bill kept rising each week. Not liking to clip coupons, I was excited that FF has them all in one place. Since joining I'm saving \$15-20 weekly on groceries and have hundreds of dollars of free stuff coming.

- Judy V

I'm thrilled that we can order unlimited amounts of the free sterling silver gemstone jewelry. My family members will receive beautiful jewelry as gifts.

Christmas is going to be real economical this year.
